**SHARED TECHNOLOGIES INC.'S STATEMENT OF ISSUES ON APPEAL AND
DESIGNATION OF THE RECORD ON APPEAL FROM FINAL ORDERS OF THE
UNITED STATES BANKRUPTCY COURT FOR THE
SOUTHERN DISTRICT OF NEW YORK**

Pursuant to Federal Rule of Bankruptcy Procedure 8006, Shared Technologies Inc. ("STI"), by and through its counsel, hereby submits its statement of issues on appeal and designation of the record on appeal in connection with its Notices of Appeal filed February 19, 2007 (Docket Numbers 2585 and 2586) in the above-captioned proceedings:

ISSUES ON APPEAL

The following are issues on appeal:

1. Whether the Bankruptcy Court erred as a matter of law in finding that it had jurisdiction to order STI to issue additional shares of STI stock to XO/V&K based on a dispute between the ATLT and XO/V&K despite the Court's limited post confirmation jurisdiction (i) to issue "orders in aid of execution and

consummation of the Plan,” or (ii) to “hear and determine disputes arising in connection with the interpretation, implementation or enforcement of the Plan” where that dispute did not involve these limited issues.

2. Whether the Bankruptcy Court erred as a matter of law in finding that the Plan—which required the *ATLT* to distribute all the assets it held in trust for creditors—nonetheless imposed a duty on STI to guarantee that all creditors received their Plan distributions and where the Plan obligated STI to contribute 100% of its stock directly to the *ATLT* on June 23, 2004 so that the *ATLT* could manage and distribute the trust assets in accordance with the *ATLT*’s obligations to the creditors.
3. Whether, as a matter of law, the Bankruptcy Court violated 11 U.S.C. § 1127, which only allows plan modification before substantial consummation, when it modified the Plan by ordering STI to issue shares to XO/V&K long after the Plan was substantially consummated.

DESIGNATION OF THE RECORD ON APPEAL

The following items are to be included in the record on appeal:

Record Number	Filing Date	Docket No	Docket Text
